The student must insert "Institution/location of the activity":

- UNIPR Department of Veterinary Medical Sciences for activities conducted within our department;
- OVUD UNIPR for orientation held at the Veterinary Teaching Hospital (OVUD).

Daily the student registers the hours performed and a brief description of the activities. The description must include the learning objectives reported in the specific training project.

Please note that the hours performed must match the hours planned (hours column in the table above- 25 hours per "Orientamento").

Once the form is completed, the student must save the signed document in PDF format and provide the signature of the **Reference Tutor, Professor/veterinarian that followed the student's activities**. The form must be uploaded to ESSE3 "my internships" -> "attachments" under the relevant training project.
